BathMax™

Tub, Tile and Restroom Cleaner

Superior formula for quick, easy no-rinse cleaning of all restroom surfaces, including tile floors, walls, backsplashes, fixtures, dividers, sinks, toilet bowls, etc. Contains a powerful blend of surfactants, solvents and a quaternary additive for effective odor control. Non-acid--will not dull or etch fixtures made of polished chrome, brass or other metals. Also safe on glass surfaces, marble, porcelain, and plastic. Clean, fresh fragrance.

Directions for Use

BathMax should be diluted before use. For normal daily cleaning, mix 1-2 ounces of concentrate per gallon of warm water. Dilute manually or at a Mixing Station set at 128-64:1. Apply solution liberally to surface, agitate with a clean mop, sponge or rag, allow several minutes contact time to penetrate and dissolve soils, then rinse completely.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Green Liquid
Odor	Citrus
Alkalinity (as NaOH)	Low
pH (1% solution)	>8.0
Foaming	High
Flash Point	>200°F
Bulk Density	approx. 8.40 lbs./gal.
Solubility in Water	100%
Rinsing	Very Good
Chlorine Content	None
Phosphorous as P ₂ O ₅	None
Hard Water Performance	Excellent
Freeze/Thaw Stability	Complete

Package Size Product Code

4x1 gal. case	#34141
5 gal. pail	#34105
