

Product Bulletin

Blue Creme

Premium Manual Pot & Pan Detergent

Superior quality detergent for manually washing dishware, cookware, glassware, flatware and other cooking and eating utensils. **Blue Creme** is fortified with the highest quality surfactant system for unsurpassed removal and suspension of grease, oil and food soils. Produces rich foam which stands up to the most difficult cleaning tasks. Gentle to the skin. Pleasant floral fragrance.

Directions for Use

For best results, this product should be dispensed by equipment installed and/or approved by your Service Representative. Dilute 1-2 ounces of this product for every six gallons of warm water in the dishwashing sink. Increase the concentration to 3-4 ounces for very high levels of grease and food soil. Wash as usual, then rinse with clean water and allow to air dry before storing or reusing. For baked-on food deposits, allow ware to soak in a hot water solution of this product for at least 30 minutes before cleaning.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
