

Product Bulletin

Borolan™ *High Performance Powdered Hand Soap*

This product is a premium quality industrial strength powdered hand soap for use in factories, automotive repair facilities, and many other applications where repeated hand cleaning is required. Contains a mild blend of borax, premium quality soaps and grease-cutting abrasives. Effectively cuts grease and grime, while enhanced emolliency and skin conditioners assure mildness to the skin. Pleasant fragrance.

Tough on Grease • Easy on Hands

Directions for Use

This product is ready-to-use. Simply wet hands, place enough **Borolan** on hands to produce rich sudsing, then scrub hands, wrists, cuticles and under finger nails thoroughly. Continue scrubbing for 30-60 seconds, then rinse thoroughly. Repeat as necessary.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Brown powder
