Breakthrough

Carpet Stain Remover & Traffic Lane Prespray

Professional quality product formulated to remove stubborn spots and stains from carpeting and upholstery. Contains a synergistic blend of surfactants, solvents and builders which effectively penetrate and dissolve oil and water-based stains. Excellent for use as a prespray on heavily soiled traffic lanes and other tough stains prior to extraction or rotary carpet cleaning. Safe on advanced generation carpeting. Fresh pine fragrance.

Directions for Use

Always pretest this product in an inconspicuous area to assure colorfastness of carpeting or upholstery. Absorb excess soil or stain with a clean rag or sponge. Spray or pour **Breakthrough** directly onto stain without over wetting. Allow several minutes dwell time to penetrate stain, then blot clean (avoid rubbing) with a clean white absorbent cloth or towel. Work from the outside of the stain toward the center to prevent spreading. Repeat if stain reappears after drying. Clean or shampoo carpet as usual.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Colorless Liquid
Odor	Pine
Alkalinity (as NaOH)	Moderate
pH (1% solution)	<9.0
Foaming	Moderate
Flash Point	>200°F
Bulk Density	approx. 8.40 lbs./gal.
Solubility in Water	100%
Rinsing	Excellent
Chlorine Content	None
Phosphorous as P ₂ O ₅	None
Hard Water Performance	Excellent
Freeze/Thaw Stability	Complete

Package Size Product Code

4x1 gal. case	#51141
55 gal. drum	#51155
