

## Product Bulletin

# ChemSolve™

## Premium Performance Cleaner-Degreaser

A premium quality cleaner-degreaser formulated to remove difficult grease and soil from floors, walls, equipment, machinery and other hard, non-porous surfaces. Contains a powerful blend of solvents, alkalis and surfactants in addition to special emulsifiers for rapid soil penetration and emulsifying. Designed to deliver effective degreasing performance where other products fail. Leaves surfaces thoroughly clean. Highly dilutable and economical to use.

### Directions for Use

Prior to use, test this product in an inconspicuous area to assure compatibility with surface. **ChemSolve** should be diluted at the rate of 2-12 ounces per gallon of hot water depending on the soil level. Apply solution to surface liberally with a mop, sponge or rag. Allow several minutes dwell time to allow detergent to penetrate and dissolve soils. Agitate as needed to facilitate soil removal. Rinse completely with clean water to remove any chemical residue. For spot removal or very heavy grease or soil accumulations, use at full strength.

### Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

### Technical Specifications

Appearance	Yellow-green Liquid
Odor	Characteristic
Alkalinity (as NaOH)	High
pH (1% solution)	>12.0
Foaming	High
Flash Point	>200°F
Bulk Density	approx. 9.00 lbs./gal.
Solubility in Water	100%
Rinsing	Good
Chlorine Content	None
Phosphorous as P <sub>2</sub> O <sub>5</sub>	None
Hard Water Performance	Good
Freeze/Thaw Stability	Moderate

### Package Size                      Product Code

4x1 gal. case	#31441
5 gal. pail	#31405
30 gal. drum	#31430
55 gal. drum	#31455
