

## Product Bulletin

# ClearMax™

## Glass & Surface Cleaner Concentrate

Removes soils, fingerprints, smudges, film and smears from glass surfaces, including windows, mirrors, windshields, chandeliers, show-cases, TV screens, computer screens, etc. Leaves surfaces thoroughly clean and streak-free at an economical cost. Also an excellent spray cleaner for other non-porous surfaces, such as chrome, stainless steel, Plexiglass, plastic, and porcelain. Safe on most surfaces--will not dull or etch. Not recommended for use on wood. Quick drying formula. Contains no ammonia. Fresh mountain scent. Highly concentrated for maximum use-economy.

### Directions for Use

**ClearMax** is a concentrated product that is designed to be diluted before use. Dilute at the rate of 10-20:1 (6-12 ounces per gallon of water), depending on soil levels encountered. Spray solution onto glass with a fine mist sprayer, wipe clean, then polish immediately with a clean, lint-free cloth, paper towel or squeegee. Repeat as necessary. For best results, avoid use in direct sunlight.

### Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

### Technical Specifications

Appearance	Dark Blue Liquid
Odor	Floral
Alkalinity (as NaOH)	None
pH (1% solution)	> 6.0
Foaming	Low
Flash Point	>100°F
Bulk Density	approx. 7.80 lbs./gal.
Solubility in Water	100%
Rinsing	Excellent
Chlorine Content	None
Phosphorous as P <sub>2</sub> O <sub>5</sub>	None
Hard Water Performance	Good
Freeze/Thaw Stability	Complete

### Package Size

### Product Code

4x1 gal. case	#35141
2x2½ gal. case	#35125
