ControlPaks™

Portion Controlled Powder Detergents

Bowl Cleaner

A professional quality, environmentally friendly powdered detergent for cleaning and deodorizing toilet bowls. Instant foaming action powers out stubborn hard water deposits and urinary salt stains. Will not harm plumbing. Deodorizes while cleaning with a fresh, clean fragrance. Formulated especially for use in public restrooms, schools, locker rooms, hotels, public buildings and other institutions. Leaves toilet surfaces clean, shiny and fresh smelling. Packaged in water-soluble, pre-measured packets for controlled chemical usage without the need for dispensing. Provides controlled point-of-use mixing, dilution and consistent solution strength. Biodegradable packaging reduces waste. Dissolves quickly and completely. Provides excellent cleaning and deodorizing performance.

Directions for Use

Flush bowl before cleaning. Add 1 packet to the toilet bowl. Product will begin to foam immediately upon contact with water. Wait 1-2 minutes until foam has covered surface of water, then swab inside of bowl completely, especially under the rim. Allow 5-10 minutes contact time to allow detergent to dissolve hard water scale and urinary salts, then flush.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Blue Powder
Odor	Fresh & Clean
Alkalinity (as NaOH)	None
pH (1% solution)	<2.0
Foaming	Moderate
