Portion Controlled Powder Detergents

Low Suds Lemon Laundry Detergent

A premium quality, highly concentrated laundry detergent which delivers outstanding results in household, institutional and light industrial laundry applications. Contains an advanced blend of builders, surfactants, alkalis, antiredeposition agents and optical brighteners for optimum results in all water conditions and soil loads. Enzyme fortified for improved stain removal. Low sudsing. Fresh lemon fragrance.

Directions for Use

This product is intended for use in top or front load household-type laundry machines. Use one water-soluble packet (1.2 oz.) of **Low Suds** per standard wash load. Use two packets where heavy soils or very hard water are encountered. Add to wash water at first stage and run machine for 10-15 minutes. For best results, pretreat stains with a quality stain remover. Follow manufacturer's label directions for water temperature and wash cycle.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
