Portion Controlled Powder Detergents

## Multi-Purpose Cleaner-Deodorizer

A professional quality, environmentally friendly powdered detergent for cleaning and deodorizing floors, countertops, equipment, walls and other hard surfaces. Formulated especially for use in restrooms, schools, locker rooms, hotels, public buildings and institutions. Also suitable for light to medium duty use in factories and industrial buildings. Effective wherever soil accumulations must be removed. Deodorizes with a crisp pine forest scent. Packaged in water-soluble, pre-measured packets for controlled chemical usage without the need for dispensing. Provides controlled point-of-use mixing, dilution and consistent solution strength. Biodegradable packaging reduces waste. Dissolves quickly and completely. Ideal for use on most types of hard surfaces, including concrete, linoleum, laminate, quarry and ceramic tile, porcelain, stainless steel, chrome, marble, granite and vinyl. Provides excellent cleaning and deodorizing performance.

### Directions for Use

For routine mop and bucket cleaning, add 1 packet in 4 gallons or less of hot water. For heavier soil, use 2 packets per 4 gallons of water. Mix well until powder is completely dissolved. Apply solution to floor or hard surface with a mop, cloth or sponge. Scrub surface with a deck brush, mop or broom to improve soil removal, then rinse completely with clean water. Rinsing is especially important for food contact surfaces. Allow surfaces to dry before use.

### Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

### Technical Specifications

Appearance	Orange Powder
Odor	Pine Forest
Alkalinity (as NaOH)	Moderate
pH (1% solution)	<10.0
Foaming	High
Flash Point	NA
Bulk Density	approx. 9.00 lbs./gal.
Solubility in Water	100%
Rinsing	Excellent
Chlorine Content	None
Phosphorous as P <sub>2</sub> O <sub>5</sub>	None
Hard Water Performance	Very Good
Freeze/Thaw Stability	NA

### Package Size      Product Code

90x½ oz. tubs, 2/case      #CP03/29050
