## **Eco** *Floor & Wall Cleaner*

Institutional strength, high quality detergent formulated to remove greasy, oily buildup from tile floors. Designed for use in restaurants, cafeterias, and other institutional foodservice operations. Fortified with a synergistic blend of alkaline builders and surfactants. Penetrates and emulsifies grease, oil and difficult soils rapidly and completely. Dissolves quickly and completely--will not leave behind a white residue. Leaves surfaces thoroughly clean and fresh smelling. Highly dilutable and economical to use. An essential product for a clean and safe kitchen.

### **Directions for Use**

Sweep area to be cleaned. Wet floor, then sprinkle **Eco** liberally onto floor. Scrub vigorously with a deck brush or street broom. Allow solution to remain on floor several minutes to improve soil penetration and removal, then rinse completely. For mop and bucket applications, dilute 4-8 ounces of this product per gallon of hot water. Apply solution to floor with a mop, then agitate with a deck brush or street broom. Rinse completely.

### **Safety Reminder**

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

### **Technical Specifications**

Appearance	Yellow Powder
Odor	Lemon
Alkalinity (as NaOH)	Moderate
pH (1% solution)	>10.0
Foaming	Moderate
Flash Point	NA
Bulk Density	approx. 9.00 lbs./gal.
Solubility in Water	100%
Rinsing	Excellent
Chlorine Content	None
Phosphorous as P <sub>2</sub> O <sub>5</sub>	<4.0%
Hard Water Performance	Good
Freeze/Thaw Stability	NA

### **Package Size**                      **Product Code**

25 lb. pail	#32525
50 lb. drum	#32550
100 lb. drum	#32501
300 lb. drum	#32503
