FAST BREAK

Engine Degreaser & Tar Remover

A premium quality, solvent-based emulsifying degreaser formulated to clean engines, transmissions and other automotive parts and equipment. Also an excellent tar and asphalt remover. Contains a powerful blend of solvents and surfactants for unsurpassed cleaning performance. Emulsifies with water for complete rinsing. May also be used for degreasing ferrous metals (iron and steel), machinery, equipment, walls, floors, and any other area where troublesome grease and soil must be removed. Leaves engines and parts thoroughly clean. Highly dilutable and economical to use. Pleasant citrus fragrance.

Directions for Use

Prior to use, test this product in an inconspicuous area to assure compatibility with surface. **Fast Break** may be used at full strength or diluted with warm water up to 8:1 depending on soil level. Apply solution to surface with a pump-type sprayer, pressure washer (at low pressure) or with a rag or sponge. Allow solution several minutes to penetrate and dissolve soils. Agitate with a brush, sponge or towel to facilitate soil removal. Rinse completely with hot water.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Light Orange Liquid
Odor	Citrus
Alkalinity (as NaOH)	None
pH (1% solution)	>7.0
Foaming	None
Flash Point	>130°F
Bulk Density	approx. 6.40 lbs./gal.
Solubility in Water	100%
Rinsing	Very Good
Chlorine Content	None
Phosphorous as P ₂ O ₅	None
Hard Water Performance	NA
Freeze/Thaw Stability	Complete

Package Size Product Code

4x1 gal. case	#88241
5 gal. pail	#88205
55 gal. drum	#88255
