Freshen-Aire™

Multi-Purpose Cleaner & Deodorizer with Lavendar

Professional quality deodorant combined with an excellent multi-purpose cleaner. Safely cleans and refreshes most hard surfaces in schools, hotels, restaurants and most other institutional applications. Counteracts objectionable odors in hotel and guest rooms, taverns, restrooms, kitchens, carpeting, kennels and other areas where malodors are prevalent. May be used in mop and bucket applications, as an additive in carpet extraction units, or with garden-type or manual trigger sprayers. Effectively cleans light to moderate soil levels while eliminating food odors, smoke, restroom odors, pet odors, garbage odors and many other sources. Leaves behind a fresh, lingering lavender scent.

Directions for Use

This product may be used at full strength or diluted 5:1 depending on the odor and/or soil level encountered. May be diluted manually or automatically through a Mixing Station into a properly labeled spray bottle. Set sprayer for a fine mist spray. Apply directly to the source of the odor or spray into the air for general deodorizing. To prevent slip hazards, do not overwet floors from spraying. For mop and bucket cleaning, dilute 2-8 oz. per gallon of hot water. Apply solution to floor, agitate to improve soil removal, then rinse completely.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Purple Liquid
Odor	Lavendar
Alkalinity (as NaOH)	None
pH (1% solution)	approx. 8.0
Foaming	Moderate
Flash Point	>200°F
Bulk Density	approx. 8.40 lbs./gal.
Solubility in Water	100%
Rinsing	Good
Chlorine Content	None
Phosphorous as P ₂ O ₅	None
Hard Water Performance	Good
Freeze/Thaw Stability	Complete

Package Size Product Code

4x1 gallon case	#36641
5 gal. pail	#36605
55 gal. drum	#36655
