

## Product Bulletin

# Green Flash

## *Economical Manual Pot & Pan Detergent*

Economical detergent for manually washing dishware, cookware, glassware, flatware and other cooking and eating utensils. **Green Flash** is fortified with high quality surfactants for excellent removal and suspension of grease, oil and food soils. Produces high foam which stands up to the most difficult cleaning tasks. Gentle to the skin. Pleasant lemon fragrance.

### Directions for Use

For best results, this product should be dispensed by equipment installed and/or approved by your Service Representative. Dilute 2-4 ounces of this product for every six gallons of warm water in the dishwashing sink. Increase the concentration to 4-6 ounces for very high levels of grease and food soil. Wash as usual, then rinse with clean water and allow to air dry before storing or reusing. For baked-on food deposits, allow ware to soak in a hot water solution of this product for at least 30 minutes before cleaning.

### Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

### Technical Specifications

Appearance	Green Liquid
Odor	Lemon
Alkalinity (as NaOH)	None
pH (1% solution)	approx. 7.0
Foaming	High
Flash Point	>200°F
Bulk Density	approx. 8.40 lbs./gal.
Solubility in Water	100%
Rinsing	Excellent
Chlorine Content	None
Phosphorous as P <sub>2</sub> O <sub>5</sub>	None
Hard Water Performance	Good
Freeze/Thaw Stability	Moderate

### Package Size                      Product Code

4x1 gal. case	#10241
5 gal. pail	#10205
