Green Path™

A New Direction
for Healthy Sanitation

Lotion Hand Soap

This product is a lustrous, high performance liquid skin cleanser for use in light industry, hotels, schools, office buildings, restaurants, public restrooms, health clubs, hospitals and other institutional applications. Formulated with a high grade surfactant system that cleans completely yet is extremely gentle to the skin. Fortified with emollients for exceptional mildness. Leaves skin smooth and soft with an appealing “after feel.” Fragrance-free.

Directions for Use

This product is ready-to-use and should not be diluted. Simply wet hands, place enough product on hands to produce rich sudsing, then scrub hands, wrists, cuticles and under finger nails thoroughly. Continue scrubbing for 30-60 seconds, then rinse thoroughly. Wash hands frequently to help reduce the spread of illness.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Disposal: Please dispose of this product and waste generated from this product in accordance with applicable local, state and federal regulations.

Technical Specifications
