Health Care

Premium Lotion Hand Soap with PCMX

A premium quality lotionized skin cleaner for use in institutional and industrial hand washing operations. Excellent for use in food handling operations, restrooms and other areas where bacterial cross-contamination can be a problem. Fortified with PCMX, a proven antibacterial agent which reduces a broad spectrum of germs on contact. Manufactured with cosmetic-grade surfactants for thorough skin cleansing, while emollients and humectants assure exceptional mildness and leave skin soft and smooth. Pleasantly scented.

Directions for Use

This product is ready-to-use and should not be diluted. Simply wet hands, place enough **Health Care** on hands to produce rich sudsing, then scrub hands, wrists, cuticles and under finger nails thoroughly. Continue scrubbing for 30-60 seconds, then rinse completely. Repeat as necessary.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Amber Liquid
Odor	Floral
