HOLD FAST

Clinging Bowl & Restroom Cleaner

A multi-functional acidic detergent which provides effective cleaning performance in restrooms, shower and bathing areas, swimming pool areas, etc. Thickened formula clings to vertical surfaces for improved cleaning performance. Immediately dissolves hard water stains, lime scale, rust, oxidation, uric acid salts, mineral deposits and other difficult inorganic soils. Effectively cleans toilet bowls, urinals, bath tubs, sinks, tile walls and floors, countertops, backsplashes, drinking fountains, stainless steel surfaces, swimming pools decks and many other areas. Non-fuming. Pleasant fragrance.

Directions for Use

Cleaning toilet bowls and urinals: Wet toilet swab in water. Apply product liberally to interior of toilet or urinal, especially under the rim. Scrub surface vigorously to improve removal of scale deposits. Flush when done to remove chemical and soil residue.

Cleaning tubs, sinks, plumbing fixtures, tile and other restroom surfaces: Pretest surface to assure compatibility with this product. Apply directly to surface at full strength or dilute up to 3:1 with warm water. Scrub with a sponge, cloth or mop to improve cleaning performance, then rinse surfaces completely with clean water.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
