KemSuds

Multi-Purpose Floor & Hard Surface Cleaner

A viscous, high active surfactant-based detergent for removing built-up dirt and grime from floors, countertops, walls, furniture, and most other hard surfaces. Recommended where deep cleaning is needed without dulling or stripping finish, paint or varnish. This product contains no alkalis, solvents, acids or other harmful ingredients, and has a pH below 9.0 in solution. Suitable for use on wood floors, tables, chairs and other sealed wood surfaces. May be used with a mop and bucket, a floor scrubber or with manual cleaning applications. An ideal product for a variety of cleaning applications. Fresh lemon scent.

Directions for Use

Mop and Bucket or Manual Cleaning: Dilute 2-4 ounces of **KemSuds** per gallon of hot water. Apply solution with a mop, sponge or cloth, then allow several minutes contact time to penetrate soils. Rinse completely with clean water. Allow surface to dry before use. Do not overuse product, as dulling of surface may result.

Automatic Floor Scrubbers: Dilute 1-2 ounces of this product per gallon of hot water in the machine's solution tank. Scrub and rinse floor as recommended by machine manufacturer.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Pink Liquid
Odor	Lemon
Alkalinity (as NaOH)	Low
pH (1% solution)	<9.0
Foaming	Moderate
Flash Point	None
Bulk Density	approx. 8.40 lbs./gal.
Solubility in Water	100%
Rinsing	Complete
Chlorine Content	None
Phosphorous as P ₂ O ₅	None
Hard Water Performance	Good
Freeze/Thaw Stability	Complete
