Mr. Softie

All Purpose Fabric Softener

High quality fabric softener for use in manual or automatic dispensing applications. Ideal for top loading home-style machines or automatic proportioners in institutional and industrial laundries. Makes all types of fabric feel soft and silky. Reduces drying time, improves the efficiency of ironing and helps eliminate static cling. Fresh floral fragrance.

Directions for Use

For top loading machines, use 1-2 ounces per standard load size. Add product to machine at the beginning of the rinse cycle. Do not pour product directly onto fabric as spotting may result. For automatic dispensing, the amount of this product to be used will vary according to the load size, soil type and amount, water conditions, and other factors. Your Service Representative will analyze these variables and set up dispensing equipment and usage concentration accordingly. In general, use 2 to 4 ounces of this product per 50 lbs. of load size where normal soil levels and water conditions are present.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	White Liquid
Odor	Fresh Floral
Alkalinity (as NaOH)	Low
pH (1% solution)	<7.0
Foaming	Moderate
Flash Point	>200°F
Bulk Density	approx. 8.40 lbs./gal.
Solubility in Water	100%
Rinsing	Complete
Chlorine Content	None
Phosphorous as P ₂ O ₅	None
Hard Water Performance	Very Good
Freeze/Thaw Stability	Complete

Package Size Product Code

4x1 gal. case	#28541
5 gal. pail	#28505
