## Solid Laundry Alkaline Booster

A powerful laundry alkaline booster and soil break for use in institutional and industrial applications. **Prevail** is formulated to improve penetration and removal of oily and particulate-based soils on cotton, linen and most other fabrics. Contains high strength alkalis, soil emulsifiers and water conditioners for tremendous soil breaking performance. Effective on grease, oils, protein stains and stubborn soils. Suitable for a wide range of water temperatures and water hardness conditions. Convenient solid form minimizes chemical contact.

### Directions for Use

This product is designed to be dispensed with equipment installed and/or approved by your Service Representative. Remove cap and invert capsule in the proper solid dispenser. Consult your Laundry Service Representative for information on equipment setup, usage level and recommended presoak duration. For best results, use with hot water.

### Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
