

Product Bulletin

Pride

Premium Powdered Pot & Pan Detergent

Premium quality powdered detergent for manually washing dishware, cookware, glassware, flatware and other cooking and eating utensils. Fortified with a premium surfactant system for outstanding grease removal. Produces rich foam which stands up to the most difficult cleaning tasks. Gentle to the skin. Fast dissolving. Very economical to use compared to liquid products.

Directions for Use

Dilute 1-2 ounces of **Pride** for every six gallons of warm water in the dishwashing sink. Increase the concentration to 4 ounces (½ cup) for very high levels of grease and food soil. Dilute completely. Maximize sudsing while filling sink by vigorously agitating water with hand. Wash as usual, then rinse with clean water and allow to air dry before storing or reusing. For baked-on food deposits, allow ware to soak in a hot water solution of this product for at least 30 minutes before cleaning.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Blue Powder
Odor	Lemon
Alkalinity (as NaOH)	None
pH (1% solution)	approx. 7.0
Foaming	Very High
Flash Point	NA
Bulk Density	approx. 9.00 lbs./gal.
Solubility in Water	100%
Rinsing	Excellent
Chlorine Content	None
Phosphorous as P ₂ O ₅	None
Hard Water Performance	Good
Freeze/Thaw Stability	NA

Package Size Product Code

50 lb. drum	#12550
100 lb. drum	#12501
