

Product Bulletin

ProSan

*Disinfectant • Cleaner
Deodorizer • Virucide*

A concentrated EPA registered disinfectant-cleaner-deodorizer for use in medical and non-medical applications. At a 2 ounce per gallon dilution, **ProSan** is effective against a lengthy list of bacteria and viruses, including Staphylococcus, Salmonella, Streptococcus, E. coli, and HIV-1. At a 3 ounce per gallon dilution, **ProSan** is also effective against Pseudomonas, making it suitable for use in hospitals and other health care institutions. Provides detergent cleaning while disinfecting. Also delivers mildewstatic and fungicidal performance, plus it deodorizes areas which are generally difficult to keep fresh smelling. Available in lemon, mint or pine fragrances.

Directions for Use

Non-Medical Disinfection: For disinfecting in non-medical settings (such as schools, hotels, restaurants, etc.), dilute 2 ounces of **ProSan** per gallon of water. A pre-cleaning step may be required to remove gross soil. Apply with a mop, sponge, cloth or hand-pump trigger sprayer so as to wet all surfaces thoroughly. Allow to remain wet for at least 10 minutes, then remove excess liquid. Prepare a fresh solution after each use.

Medical Disinfection: For disinfecting in hospitals, nursing homes and other medical settings, dilute 3 ounces of **ProSan** per gallon of water. Follow the instructions for Non-Medical Disinfection.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Liquid, Various Colors
Odor	Lemon, Mint or Pine
Alkalinity (as NaOH)	Low
pH (1% solution)	>9.0.
Foaming	Moderate
Flash Point	>200°F
Bulk Density	approx. 8.60 lbs./gal.
Solubility in Water	100%
Rinsing	Good
Dilution	2-3 oz./gal.
Phosphorous as P ₂ O ₅	None
Hard Water Performance	Good
Freeze/Thaw Stability	Complete

Package Size Product Code

4x1 gal. case	#33241
5 gal. pail	#33205
