ProShine Plus

Premium Oil-Based Stainless Steel Polish & Cleaner

Cleans, polishes protects and preserves stainless steel without hard rubbing or polishing. Resists finger prints, grease and water marks. Helps preserve the factory finish of bright and brushed stainless. Use on all stainless steel surfaces, including refrigerators, ice machines, freezers, dishwashers, display cabinets, stoves, ovens, window frames, trim, doors, and much more. Contains no acids, abrasives, alkalis or other harmful substances. Will not leave a powdery residue. Not for use on food contact surfaces such as cooking utensils, pots and pans, silverware, cutlery, etc.

Directions for Use

Remove protective cap. Hold can upright about 8-12 inches away from surface to be cleaned . Point valve opening toward surface and press button. Spray a small area until wet. Use sparingly. Clean with one cloth and polish with a separate, dry cloth. Polishing will renew gloss and maintain lustre and resistance to spotting or staining.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Clear Liquid
Odor	Lemon
