

Product Bulletin

Pro's Best Concrete Floor Cleaner

Industrial quality detergent formulated to remove greasy, oily buildup from concrete and tile floors. Designed for use in factories, garages, service stations, transmission shops and similar auto repair and service centers. Also excellent for use in restaurants and other institutional applications where greasy floors are a problem. Dissolves quickly and completely--will not leave behind a white residue. Delivers unsurpassed solvency and detergency against greasy buildup, grime, tire marks and other stubborn soils. Economical to use. Fresh pine fragrance.

Directions for Use

Sweep area to be cleaned. Wet floor, then sprinkle **Pro's Best** liberally onto floor. Scrub vigorously with a stiff street broom or deck brush. Allow solution to remain on floor several minutes to improve soil penetration and removal. For mop and bucket applications, dilute 6-8 ounces of this product per gallon of hot water. Apply solution to floor, agitate with a mop or street broom, then rinse completely. Also ideal for use in automatic floor scrubbers or with pressure washing equipment. Do not allow solutions of this product to dry on glass, magnesium or aluminum.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Orange Powder
Odor	Pine
Alkalinity (as NaOH)	High
pH (1% solution)	>10.0
Foaming	Low
Flash Point	NA
Bulk Density	approx. 9.00 lbs./gal.
Solubility in Water	100%
Rinsing	Excellent
Chlorine Content	None
Phosphorous as P ₂ O ₅	None
Hard Water Performance	Good
Freeze/Thaw Stability	NA
