

## Product Bulletin

# Renew

## *Spray Buff Floor Finish Restorer*

A professional quality product formulated to clean and restore the “wet look” of finished floors. Also removes scuffs, heel marks and surface scratches while restoring gloss, thus extending the time between recoats. Idea for use on all types of finished floors in supermarkets, malls, retail stores, schools, and many other areas. Provides light duty cleaning and polishing in one easy step. An essential product for a quality floor care program.

### Directions for Use

Sweep floor area with a treated dust mop or cloth. For spray buffing with floor scrubbers up to 1,500 rpm, fill a trigger sprayer with **Renew**. Spray solution lightly over area to be buffed. Do not overwet. Using a buffing (red) pad, spread out and buff solution to a high gloss. For high speed burnishing (2,000 rpm or higher), preclean floor with a pH neutral cleaner. Using a high speed pad, burnish area in a straight line, overlapping on each pass to assure an even appearance.

### Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

### Technical Specifications

Appearance	Opaque White Liquid
Odor	Characteristic
Alkalinity (as NaOH)	None
pH (1% solution)	<9.0
Foaming	None
Flash Point	>200°F
Bulk Density	approx. 8.40 lbs./gal.
Solubility in Water	100%
Rinsing	NA
Chlorine Content	None
Phosphorous as P <sub>2</sub> O <sub>5</sub>	None
Hard Water Performance	NA
Freeze/Thaw Stability	Moderate
