RIM SHOT™

Institutional Bowl & Urinal Cleaner

An acidic detergent which delivers outstanding cleaning performance on toilet bowls and urinals. Formulated to provide outstanding cleaning performance in most applications. Immediately dissolves hard water stains, mineral deposits, lime scale, uric acid salts, and other difficult, inorganic soils. Contains a powerful blend of acids, surfactants and sequestering agents for quick, thorough cleaning. Excellent for use in schools, restaurants, department stores, hotels, hospitals, and many other institutional areas.

Directions for Use

Cleaning Toilet Bowls and Urinals: Wet toilet swab in water. Apply product liberally to interior of toilet or urinal, especially under the rim. Scrub surface vigorously to enhance removal of scale deposits. Flush when done to remove chemical and soil residue. For stains below the water line, remove water by forcing over trap with swab. Apply product and clean well, then flush. For use on toilets or urinals only. Not recommended for use on sinks, tubs, metal plumbing fixtures or other porcelain, enamel or plated surfaces. If unsure about product compatibility with surface, test in an inconspicuous area before use.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Green Liquid
Odor	Characteristic
Alkalinity (as NaOH)	None
pH (concentrate)	<1.0
Foaming	Moderate
Flash Point	>200°F
Bulk Density	approx. 8.70 lbs./gal.
Solubility in Water	100%
Rinsing	Good
Chlorine Content	None
Phosphorous as P ₂ O ₅	None
Hard Water Performance	Very Good
Freeze/Thaw Stability	Good

Package Size Product Code

12x1 qt. case

#37412
