Solid FloorStar

Floor and Hard Surface Cleaner-Degreaser

An outstanding product for a variety of institutional and light industrial cleaning requirements. **Solid FloorStar** offers superb removal of grease, oil and soil from floors, walls, countertops, and most other hard surfaces. Formulated with a synergistic blend of surfactants, alkalis and detergent builders for superb cleaning performance in kitchens, restrooms, and other areas prone to soil buildup. Provides excellent cleaning and degreasing action with a fresh, lingering citrus fragrance. Convenient solid form minimizes chemical contact.

Directions for Use

This product is designed to be dispensed with equipment installed and/or approved by your Service Representative. Remove cap and invert capsule in the proper solid dispenser. Consult your Service Representative for information on equipment setup, usage level and recommended cleaning procedures. For best results, allow solutions of this product 5-10 minutes surface contact time to penetrate and emulsify soils. Scrub with a deck brush or street broom to facilitate soil removal. Rinse completely.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Orange Solid
