

Product Bulletin

Solid LaundryStar

Institutional Strength Laundry Detergent

An outstanding product for use in institutional and industrial laundry applications. **Solid LaundryStar** offers superb removal of oily and particulate-based soils on cotton, linen, and most other fabrics. Fortified with powerful builders and surfactants for superb performance over a range of water temperatures, water hardness conditions and soil levels. Contains enzymes, antiredeposition agents, water conditioners and alkalis for exceptional cleaning performance. Convenient solid form minimizes chemical contact. Handled bottle eases lifting and fits all bowl-type dispensers. Fresh citrus fragrance.

Directions for Use

Solid LaundryStar is designed to be dispensed with equipment installed and/or approved by your Service Representative. Remove cap and invert capsule in the dispenser. Consult your laundry Service Representative for equipment, usage level and recommended presoak duration. For normal laundry applications, use 1-2 ounces of this product per 50 lbs. of laundry.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
