Solid PanCommand

Premium Performance Manual Pot & Pan Detergent

Superior cleaning for manually washing pots, pans, dishware, cookware, glassware, flatware, and other cooking utensils. Heavily fortified with the highest quality surfactant system for unsurpassed grease removal. **Solid PanCommand** produces rich, long-lasting suds that stand up to difficult cleaning tasks. High detergency level assures sparkling clean results. pH balanced for exceptional mildness to the skin. Pleasant fragrance.

Directions for Use

This product is designed to be dispensed with equipment installed and/or approved by your Service Representative. Remove cap and invert bottle on a solid bowl dispenser over manual washing sink. Consult your Representative for information on equipment setup and procedures for use. For best results, dilute with warm water and maximize sudsing by agitating sink solution vigorously with hand. Wash as usual, rinse with clean water, sanitize and allow to air dry before storage or reuse. For baked-on food deposits, allow ware to soak in hot water solution of this product for at least 30 minutes before cleaning. Not for use in dish machines.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Pink Solid
Odor	Lemon
