Super Strip

High Strength No-Rinse Wax Stripper

A high performance floor finish stripper for use by professional maintenance personnel. **Super Strip** contains powerful ingredients for fast, complete stripping of all types of floor finishes and waxes. Suitable for use where no subsequent water rinsing is desired. Reduces stripping time considerably, producing labor and cost savings. Non-ammoniated. Ideal for use in shopping malls, retail stores, office buildings, health clubs, schools, nursing homes, hospitals, etc.

Directions for Use

Before use, pretest this product in an inconspicuous area to assure compatibility with surface. **Super Strip** may be used at variable dilution rates depending on the type of finish to be removed and the desired removal time. Dilute 4-32 ounces per gallon of hot water according to the requirements of the particular application. Apply solution liberally to the floor and allow several minutes dwell time to penetrate and dissolve finish. Agitate with a scrubbing pad to facilitate removal. Pick up solution with a mop or wet-dry vacuum. Rinsing with clean water is recommended, but not required. Allow floor to dry before reapplying finish.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Colorless Liquid
Odor	Characteristic
Alkalinity (as NaOH)	Moderate
pH (1% solution)	>10.0
Foaming	Low
Flash Point	>200°F
Bulk Density	approx. 8.20 lbs./gal.
Solubility in Water	100%
Rinsing	Complete
Solvency	Very High
Phosphorous as P ₂ O ₅	None
Hard Water Performance	Good
Freeze/Thaw Stability	Complete

Package Size

Product Code

4x1 gal. case	#42341
5 gal. pail	#42305
55 gal. drum	#42355
