Premium Performance Powdered Auto Shampoo

Premium quality powdered car soap formulated for manual, brush or automatic washing of all types of automobiles. Produces handfulls of thick, rich, long-lasting foam which easily cuts through road film and accumulated dirt and grime. Lubricates brushes in automatic car washes. pH balanced to be extremely mild to the hands. Safe for use on all auto surfaces, including glass and aluminum. Ideal for professional use in auto dealerships, detail shops, car washes and other auto service facilities. Very economical to use.

Directions for Use

For brush or manual washing, dilute approximately 1/2-1 ounce of this product per bucket of warm water. To maximize sudsing, agitate water with hand or spray water from hose. Wash and rinse vehicle as usual. For best results, rinse with soft water and towel dry immediately. Avoid washing vehicle in direct sunlight.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
