TAR RELEASE

Heavy Duty Tar & Asphalt Remover

A super-strength, high active d'limonene-based spot and stain remover for automotive and industrial applications. Dissolves tar, asphalt, grease and oil on contact. Ideal for use on auto exteriors as a pre-solve on splattered tar, asphalt, bugs, etc. prior to washing. Also a great stain remover for auto upholstery, carpeting and floor mats. May be used on cars, trucks, forklifts, walls, floors, or any other hard surface. Water soluble for easy rinsing. Non-flammable and non-combustible. Pleasant citrus fragrance.

Directions for Use

Exterior use: This product should be applied at full strength or diluted up to 3:1 with warm water. Apply liberally to surface with a soft, clean cloth or sponge. Allow several minutes contact time to penetrate and dissolve soil. Agitate with cloth or sponge to facilitate removal. Wash or rinse car as usual.

Interior use: For carpeting, upholstery or floor mats, test this product in an inconspicuous area to assure compatibility with fabric. Apply at full strength to stain. Blot stain with a clean cloth to remove excess. Do not wipe side to side, as smearing may result. Clean fabric with an extraction carpet unit. Repeat if needed.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Colorless Liquid
Odor	Citrus
Alkalinity (as NaOH)	None
pH (1% solution)	<9.0
Foaming	Very Low
Flash Point	>100°F
Bulk Density	approx 7.00 lbs./gal.
Solubility in Water	100%
Rinsing	Good
Chlorine Content	None
Phosphorous as P ₂ O ₅	None
Hard Water Performance	NA
Freeze/Thaw Stability	Complete

Package Size
