

Product Bulletin

Velvet

Economy Lotionized Liquid Hand Soap

This product is a high performance liquid skin cleanser for use in light industry, hotels, schools, office buildings, restaurants, public restrooms, health clubs, hospitals and other institutional applications. Formulated with a high grade surfactant system that cleans completely yet is extremely gentle to the skin. Fortified with glycerine and other emollients for exceptional mildness. Leaves skin smooth and soft with an appealing "after feel." Pleasant floral fragrance.

Directions for Use

This product is ready-to-use and should not be diluted. Simply wet hands, place enough **Velvet** on hands to produce rich sudsing, then scrub hands, wrists, cuticles and under finger nails thoroughly. Continue scrubbing for 30-60 seconds, then rinse completely. Repeat as necessary.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
