WIPE OUT™
Foaming Spray & Wipe Cleaner-Degreaser

CROWN CHEMICAL INCORPORATED™

A premium foaming spray and wipe cleaner which provides outstanding performance on washable surfaces. Formulated for demanding maintenance requirements in industrial and institutional settings. Provides clinging foam action when sprayed on surfaces, which extends contact time and improves cleaning performance. Effective on most washable surfaces such as floors, walls, countertops, cabinetry, machinery, tires, metals (including aluminum), glass, plastic, vinyl, rubber, grills, vents, etc. Dissolves and emulsifies heavy grease buildup, soot, smoke, carbon stains, creosote, and many other types of soils. Leaves behind a thoroughly clean surface and a pleasant pine fragrance. Non-flammable and biodegradable.

Directions for Use

To maximize clinging action, adjust sprayer nozzle for widest possible spray pattern by tightening nozzle completely. **Wipe Out** is ready-to-use and should not be diluted. Spray over surface to be cleaned. Allow several minutes contact time to penetrate and dissolve soils. Agitate with a clean cloth or sponge to improve soil removal. Rinse area with clean water to remove chemical and soil residue. NOTE: Use with care on painted surfaces. Prolonged contact may cause removal of paint. Pretest in an inconspicuous area beforehand to assure compatibility with surface.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Light Green Liquid
Odor	Fresh Pine
Alkalinity (as NaOH)	Moderate
pH (1% solution)	>11.0
Foaming	High
Flash Point	>200°F
Bulk Density	approx. 8.40 lbs./gal.
Solubility in Water	100%
Rinsing	Good
Chlorine Content	None
Phosphorous as P_2O_5	None
Hard Water Performance	Good
Freeze/Thaw Stability	Complete

Package Size	Product Code
12x1 qt. case	#32012
