Laundry ControlPaks™

### Enzyme Laundry Detergent with Oxygen Bleach

Premium quality powdered detergent combined with a color safe bleach for institutional and light industrial laundries. Fortified with enzymes along with a proprietary surfactant system for superb grease and stain removal and cleaning results. Contains a controlled oxygen release system and bleach activator. Excellent for hard water areas. Fresh citrus fragrance.

Product No. CP01  
Available in 250x1.2 oz. pails

### Low Suds Lemon Laundry Detergent

An all purpose laundry powder which delivers outstanding results in household, institutional and light industrial laundries. Contains an advanced blend of builders, surfactants, alkalis, soil suspension agents and optical brighteners. Provides optimum results in all water conditions and soil loads. Enzyme fortified for improved stain removal. Fresh lemon fragrance.

Product No. CP02  
Available in 250x1.2 oz. pails

### Multi-Purpose Cleaner-Deodorizer

Powdered detergent for cleaning and deodorizing floors, countertops, equipment, walls and other hard surfaces. Formulated especially for use in restrooms, schools, locker rooms, hotels, public buildings and institutions. Also suitable for light to medium duty use in factories and industrial buildings. Effective wherever soil accumulations must be removed. Deodorizes with a crisp pine forest scent.

Product No. CP03  
Available in 2x90x1/2 oz. cases

### Heavy Duty Cleaner-Degreaser

High strength alkaline detergent for cleaning grease and soil buildup on floors, countertops, equipment, walls and other hard surfaces. Designed for use in restaurants, foodservice operations, restrooms, schools and institutions. Also suitable for medium duty use in factories, auto service facilities, food plants, and more. Effective wherever grease and soil accumulations must be removed.

Product No. CP04  
Available in 2x90x1/2 oz cases

### Bowl Cleaner

Professional quality detergent for cleaning and deodorizing toilet bowls. Instant foaming action powers out stubborn hard water deposits and urinary salt stains. Safe on plumbing. Deodorizes while it cleans with a fresh, clean fragrance. Ideal for use in public restrooms, schools, locker rooms, hotels, public buildings and other institutions. Leaves toilet surfaces clean and fresh.

Product No. CP05  
Available in 2x90x1/2 oz. cases

### Neutral Cleaner

Thoroughly cleans resilient floors without stripping wax. Excellent for mop and bucket or floor machine use. Protects the high gloss of floors while removing accumulated dirt and grime. Contains no harmful alkalis, solvents or other ingredients which might dull or remove floor finish. pH below 9.0 in solution. Excellent for use on vinyl, asphalt, marble, terrazzo, slate, ceramic and quarry tile. Fresh lemon fragrance.

Product No. CP06  
Available in 2x90x1/2 oz. cases

### Pot & Pan Detergent

Highly concentrated detergent for manually washing pots, pans, silverware, dishes, glassware and other foodservice utensils and equipment. Produces rich, long-lasting foam which cuts grease, oil, protein, starch and other food soils. Fortified with the highest quality surfactant system for unsurpassed performance. Very gentle to the skin. Ideal for restaurants, catering facilities, institutional kitchens, and more

Product No. CP10  
Available in 2x90x1/2 oz. cases
