ACCLAIM

Solid Laundry Sour/Softener

A premium quality combination of fabric softener and rust removing sour for use in institutional and industrial laundry applications. **Acclaim** delivers superb neutralizing characteristics against alkalis, hard water mineral deposits and chlorine. Eliminates the yellowing or graying caused by iron redeposition and restores the natural pH of cotton, linen and most other fabrics. Imparts a soft, silky finish on all types of fabric, reduces drying time, improves the efficiency of ironing and helps eliminate static cling. An essential product for a quality laundry system. Convenient solid form minimizes chemical contact. Fresh fragrance.

Directions for Use

This product is designed to be dispensed with equipment installed and/or approved by your Service Representative. Remove cap and invert capsule in the proper solid dispenser. Consult your Laundry Service Representative for information on equipment setup, usage level and recommended presoak duration. For best results, use with hot water.

Safety Reminder

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Technical Specifications

Appearance	Green Solid
Odor	Fresh Floral
