

80000 SERIES AUTOMOTIVE

PRESOAKS

- Citrus Foam Solve** An outstanding multi-purpose detergent for manual or automatic car washes. Fortified with d'limonene for superb removal of tar and grease. Ideal for use as a presoak in tunnel washes or as a presolve emulsifier. Very high foaming. Orange color. Citrus fragrance.
#81005/5 gal. pail **#81055/55 gal. drum**
- AutoJet Part A** Acidic presoak for use in a two-part touchless carwash system. Viscous acid detergent cuts through road film and soil buildup by chemical reaction with AutoJet Part B. Leaves vehicles clean and shiny. Red liquid. Cherry fragrance.
#81205/5 gal. pail **#81255/55 gal. drum**
- AutoJet Part B** Alkaline presoak for use in a two-part touchless carwash system. Very high foaming cleaner penetrates and dissolves grease, dirt and soil by chemically reacting with AutoJet Part A. An excellent two part system for tremendous auto cleaning. Yellow liquid.
#81305/5 gal. pail **#81355/55 gal. drum**
- Jet Stream** Premium powdered presoaking detergent for removing road film and soil buildup from automotive surfaces in touchless car washes. High foaming for extended dwell time. Special surfactants and soil suspension agents lift soils away. Blue color.
#81550/50 lb. drum **#81501/100 lb. drum** **#81503/300 lb. drum**

MANUAL/BRUSH SHAMPOOS

- Splash Down** Super-premium quality, highly appealing car soap for manual, brush or automatic vehicle washing. Very high viscosity. Produces mountains of long lasting foam. Safe on all surfaces. Turquoise color. Watermelon fragrance.
#82205/5 gal. pail **#82230/30 gal. drum** **#82255/55 gal. drum**
- Cherry Foam Deluxe** Our top selling car soap. An excellent choice for all car wash applications. High viscosity and foam level combined with an appealing color and pleasant cherry fragrance makes this product a customer favorite. Red color.
#82405/5 gal. pail **#82430/30 gal. drum** **#82455/55 gal. drum**
- Bright & Shiny** An economical car soap for customers requiring high performance at a low cost. Produces abundant, long-lasting suds that cuts grease with ease. Ideal for manual, brush or automatic applications. Light green color. Lemon fragrance.
#82605/5 gal. pail **#82630/30 gal. pail** **#82655/55 gal. drum**
- Clean & Sheen** Combines a premium quality car soap with a non-silicone wax. High foam cuts through road film and grime while leaving behind a wax coating which repels water, dirt and soils. Moderate viscosity. Dark blue color. Vanilla fragrance.
#82805/5 gal. pail **#82830/30 gal. drum** **#82855/55 gal. drum**
- Surpass** Ultraconcentrated powdered car soap for washing trucks, cars and buses by hand or with bucket and brush. Once for ounce the highest foaming product we offer. Very light density reduces usage amount and cost. Light yellow color.
#83035/35 lb. drum **#83050/50 lb. drum** **#83001/100 lb. drum**
- Glimmer** Top selling powdered car soap. Copious, long-lasting foam. Mild to the hands yet tough on grease. Free rinsing--leaves behind no soapy residue. Biodegradable and safe on all vehicle surfaces. Blue color.
#83235/35 lb. pail **#83250/50 lb. drum** **#83201/100 lb. drum** **#83203/300 lb. drum**
- Car Wash Beads** Manual car washing soap noted for its extremely light density. Helps control usage cost by reducing consumption. Very high, durable foam. Easy to dissolve in any temperature water. Safe to use and safe on all car surfaces.
#83425/25 lb. box **#83450/50 lb. box**

SPRAY WAXES

- AquaDry** A premium quality, highly dilutable non-silicone spray wax and clear coat protectant for automatic or self service car washes, truck and bus washes, and most other vehicle cleaning operations. Imparts a durable wax coating that resists water, dust and dirt. Red color.
#84005/5 gal. pail **#84030/30 gal. drum** **#84055/55 gal. drum**
- Clean Rinse** An all purpose drying agent for automatic car washes. Contains special surfactants which make water bead, facilitate drying and reduce hard water spotting. Great for use with low energy blowers and high volume conveyors. Blue color.
#84205/5 gal. pail **#84230/30 gal. drum** **#84255/55 gal. drum**

80000 SERIES AUTOMOTIVE

PRESSURE WASHING PRODUCTS

- Blast Off Part A** A powerful acidic vehicle presoak for two-step pressure washing operations. Ideal for use on trucks, trailers, buses, etc. Used in conjunction with Blast Off Part B for a potent two-step cleaning process. High foaming for extended dwell time.
#85055/55 gal. drum
- Blast Off Part B** Premium alkaline detergent used as the second step product following Blast Off Part A. Contains aggressive alkalis, proprietary surfactants and solvents which rapidly cut road film and grime. Delivers fabulous results. Green color.
#85155/55 gal. drum
- Street Tough** Removes tough deposits of road film, grime and exhaust carbon. Suitable for all types of pressure washing (including touchless automatic car washes) or bucket and brush washing of trucks, buses, etc. Blue color.
#85355/55 gal. drum
- PowerClean** A superb product for automotive pressure washing, particularly touchless car washes. Totally safe and non-corrosive on all surfaces. Proprietary surfactants are the key to this product's ability to penetrate road film. Good foaming for extended vertical cling.
#85505/5 gal. pail #85555/55 gal. drum
- Power Foam** Premium quality powdered "red soap" for removing road film and soil buildup from automotive and other surfaces. Produces plenty of foam for increased dwell time on vertical surfaces. Well suited for brush or touchless car washes. Red color. Cherry fragrance.
#85750/50 lb. drum #85701/100 lb. drum #85703/300 lb. drum
- Heavy Duty PowerWash** Top selling automotive powder. Terrific for brush or touchless cleaning of cars, trucks, or buses. Also a great pressure washing detergent for floors, walls and other hard surfaces. High foaming. Very effective on road film. Blue color. Vanilla fragrance.
#85850/50 lb. drum #85801/100 lb. drum #85803/300 lb. drum
- Big Rig** Very high strength pressure washing powder for the most demanding applications. Designed for cleaning trucks, buses, trains, industrial equipment (such as forklifts) and other heavily soiled hard surfaces. Fortified with butyl and special surfactants. Green color.
#85903/300 lb. drum

TIRE CLEANERS

- TireSolve** Designed for rapid cleaning of tires and whitewalls in automatic car washes. Highly alkaline and loaded with solvents. Immediately emulsifies road film, grease, brake dust and other soils. Not for self-service or manual applications. Blue color.
#86005/5 gal. pail #86055/55 gal. drum
- Wheel Clean** For manual or self-service tire and whitewall cleaning. Simply spray on, allow a minute or two to penetrate soil, agitate and rinse off. Lifts dirt and soil out of porous rubber surfaces that car soap can't touch. Dilutable 2:1. Blue color.
#86241/4x1 gal. case #86205/5 gal. pail #86255/55 gal. drum
- MagnaBright** Super-powerful acidic detergent which brightens auto rims, hub caps and most other metal surfaces. Provides instant, readily visible cleaning performance on dirty, oxidized rims. Lifts out road film, grime and brake dust. Green color.
#86441/4x1 gal. case #86405/5 gal. pail #86455/55 gal. drum
- Hot Wheel** Powdered whitewall detergent for automatic car wash applications. Penetrates rubber surfaces and emulsifies grime on contact. Highly dilutable and economical to use. High foaming for extended contact time on tire walls. Tan color.
#86650/50 lb. drum #86601/100 lb. drum #86603/300 lb. drum
- Down & Dirty** A powdered whitewall cleaner for manual or self-service operations. Penetrates and dissolves embedded soils on porous tires and other rubber surfaces. Lifts out the dirt that car soap can't touch. Orange color.
#86850/50 lb. drum #86801/100 lb. drum #86803/300 lb. drum

TIRE DRESSINGS

- Final Touch** Our highest quality silicone-based tire dressing. Imparts the deepest, highest gloss. Gives cars an eye-catching appearance. Self-leveling and long-lasting. Blue color. Watermelon fragrance.
#87041/4x1 gal. case #87005/5 gal. pail #87055/55 gal. drum
- Show Room** Premium quality silicon-based tire and rubber dressing. Provides an outstanding, long-lasting shine on tires, giving cars that "show room" appearance. Ideal for auto dealerships, detail shops and car wash facilities.
#87241/4x1 gal. case #87205/5 gal. pail #87255/55 gal. drum
- HydroShine** The professional's choice for a finish coating on rubber and vinyl surfaces, especially tires and dashboards. Contains silicone for high gloss and durability. Suitable for use on auto exterior or interior. Non-solvent and non-hazardous.
#87441/4x1 gal. case #87405/5 gal. pail #87455/55 gal. drum

80000 SERIES AUTOMOTIVE

ENGINE DEGREASERS

Astound Premium quality, water-based detergent for cleaning engines, transmissions and other auto parts and equipment. Also terrific for greasy ferrous metal parts, floors, machinery, etc. Moderate foaming. Yellow-green color.

#88041/4x1 gal. case **#88005/5 gal. pail** **#88030/30 gal. drum**
#88055/55 gal. drum

Fast Break A solvent-based product which rapidly penetrates and removes greases and oils. Contains powerful solvents and surfactants which readily dissolve stubborn soils. Water rinsable. Light orange color. Citrus fragrance.

#88241/4x1 gal. case **#88205/5 gal. pail** **#88230/30 gal. drum** **#88255/55 gal. drum**

AUTOMOTIVE SPECIALTY PRODUCTS

Cosmoline Remover Specially formulated d'limonene-based compound for removing transit wax (cosmoline) from imported vehicles. Immediately dissolves this protective coating as well as tar, grease, asphalt, etc. Orange color. Citrus fragrance.

#89005/5 gal. pail **#89055/55 gal. drum**

Foaming Acid Tunnel Wash High foaming acidic detergent for cleaning the interior walls, ceilings, floors and equipment in car washes. Removes lime scale, oxidation, rust, calcium and soap scum. Brightens aluminum, stainless steel and chrome. Improves cling on walls. Light green color.

#89205/5 gal. pail **#89255/55 gal. drum**

Tar Release Professional strength spot and stain remover for tar, asphalt, grease and oil. Great for exterior use as a presolve prior to washing, or for interior upholstery, carpet or floor mats. Water soluble for easy rinsing. Orange color. Citrus fragrance.

#89405/5 gal. pail **#89455/55 gal. drum**
