

40000 SERIES FLOOR CARE

NEUTRAL CLEANERS

- NeuClean** The standard for mop and bucket maintenance of finished floors. Surfactants, builders and brighteners clean without dulling. Neutral pH in solution. Yellow color. Lemon fragrance.
#41141/4x1 gal. case #41105/5 gal. pail #41130/30 gal. drum
#41155/55 gal. drum
- KemSuds** Viscous, pink colored floor scrubbing soap for mop or floor machine applications. Rinses completely--leaves behind no soapy residue. Neutral pH. Pink color. Lemon fragrance.
#41341/4x1 gal. case #41305/5 gal. pail #41330/30 gal. drum
#41355/55 gal. drum

WAX STRIPPERS

- Breakdown** Absolutely premium quality, hyper-strength stripper which rapidly dissolves all types of finish and wax. Very high activity level assures quick results on all jobs. Reduces labor cost dramatically by delivering fast results. Non-ammoniated. Yellow color.
#42141/4x1 gal. case #42105/5 gal. pail #42130/30 gal. drum #42155/55 gal. drum
- Super Strip** Extra strength stripper for use where no water rinsing is desired. Contains no residual alkalis which might interfere with finish adhesion. Evaporates quickly and completely. Saves on labor cost and refinishing time. Clear color.
#42341/4x1 gal. case #42305/5 gal. pail #42330/30 gal. drum #42355/55 gal. drum
- Quantum** A highly effective and economical wax stripper formulated with powerful alkalis, solvents and emulsifiers. Well suited for all but the most stubborn finishes. Produces a finish-ready floor with a minimum of time and effort. Non-ammoniated. Yellow color.
#42541/4x1 gal. case #42505/5 gal. pail #42530/30 gal. drum #42555/55 gal. drum

FLOOR FINISHES

- Legacy** Premium quality 24% floor finish for spectacular results. Delivers unmatched initial gloss without buffing. Dries extremely bright. Very hard finish which stands up to traffic and scrubbing. Provides shine and performance that rivals the national brands.
#43541/4x1 gal. case #43505/5 gal. pail #43555/55 gal. drum
- UltraShine** Excellent all purpose 24% solids floor finish. Buffs to a deep, long-lasting shine. Soft enough for repeated rebuffering, yet hard enough to withstand heavy traffic, scrubbing and scuffs. Suitable for low or high speed applications.
#43141/4x1 gal. case #43105/5 gal. pail #43155/55 gal. drum
- Endurance** Formulated with the same proprietary polymer blend as LEGACY, but with 18% solids. Superb initial and long-term gloss guaranteed. The best performing product we have ever seen at this solids level. Definitely premium quality.
#43741/4x1 gal. case #43705/5 gal. pail #43755/55 gal. drum
- Diamond Shine** Top selling resilient floor care product. A versatile finish containing 18% solids. Excellent for low or high speed applications. Dries quickly to a beautiful gloss. Scrubbable, scuff resistant and rebufferable.
#43341/4x1 gal. case #43305/5 gal. pail #43355/55 gal. drum

FLOOR CARE SPECIALTY PRODUCTS

- NeuPrep** A floor neutralizing product. Counteracts alkaline residue from strippers prior to application of floor finish. Assures proper adhesion, leveling and drying characteristics for all finishes. Essential where beautiful results are needed. Clear color.
#44141/4x1 gal. case #44105/5 gal. pail
- TerraSeal** A water-based floor sealer and undercoat for resilient tile floors. Applied as a first coat prior to finish. Seals out moisture and soil. Assures proper performance of floor finish. A necessity for a quality floor care program.
#44341/4x1 gal. case #44305/5 gal. pail #44355/55 gal. drum
- Mist & Shine** Premium quality spray buff formulated with the same polymer technology as LEGACY and ENDURANCE (see above). Delivers renewed gloss and durability to finished floors. An essential product for a quality floor care program.
#44641/4x1 gal. case
- Renew** Professional spray buffing product for periodic maintenance of resilient floors. Revives areas where gloss has worn due to heavy traffic. Cleans while restoring luster.
