20000 SERIES LAUNDRY

BLEACHES & BRIGHTENERS

- SunBrite** A dry organic bleach offering improved whitening safety through controlled chlorine release. Proper use will reduce fabric damage caused by liquid bleaches. USDA B1.
#26535/35 lb. pail #26550/50 lb. drum #26501/100 lb. drum
#26503/300 lb. drum
- OxyBleach** An alternative dry bleaching product suitable for use on both white and colored fabrics. Uses oxygen instead of chlorine as the whitening agent. Safely brightens all fabrics.
#26635/35 lb. pail #26650/50 lb. drum #26601/100 lb. drum
#26603/300 lb. drum
- ProClaim** An oxalic acid-based laundry reclaim which revives white fabrics that have become yellowed or grayed by residue from iron, alkali, etc. Performs beautifully in soak applications where other products fail.
#29050/50 lb. drum #29001/100 lb. drum

SOURS & SOFTENERS

- UltraSour** A rust removing sour which neutralizes hard water, chlorine and alkaline residue from wash load. Prevents discoloration of fine linens by dissolving rust, lime, calcium and other hardness ions. A "must" product for hard water areas.
#28005/5 gal. pail #28015/15 gal. drum #28030/30 gal. drum
- UltraNeutral** An acid-based laundry neutralizer and sour which counteracts residues from alkaline boosters, chlorine, and detergents. Assures proper final pH of wash load, neutralizes alkalinity and counteracts iron staining. Pink color.
#28105/5 gal. pail #28115/15 gal. pail #28130/30 gal. drum
- UltraSoft** Imparts a silky smooth finish on all types of fabric. Lessens drying time, increases the efficiency of ironing, and reduces static electricity. Strong enough for the most demanding institutional laundry requirements. Blue-green color. Floral fragrance.
#28305/5 gal. pail #28315/15 gal. drum #28330/30 gal. drum
- Mr. Softie** Terrific all purpose fabric softener for institutional and home laundry applications. Leaves towels, linens and clothing soft to the touch and static-free. White color. Bouquet fragrance.
#28541/4x1 gal. case #28505/5 gal. pail #28515/15 gal. drum #28530/30 gal. drum
#28555/55 gal. drum
- EcoSoft** Economical softener for light to medium duty laundry applications. Offers terrific performance for budget-conscious customers. Produces clean, fresh linens, uniforms, etc. Helps reduce static electricity and extend fabric life. Bouquet fragrance.
#28441/4x1 gal. case #28405/5 gal. pail #28415/15 gal. drum #28430/30 gal. drum
#28455/55 gal. drum
- UltraSoft/Sour** Premium quality fabric softener combined with a powerful sour for institutional and industrial laundries. Neutralizes alkaline, hard water and chlorine residues while imparting a soft, silky finish on fabric. Eliminates yellowing caused by iron deposition. Blue color. Lemon fragrance.
#28605/5 gal. pail #28615/15 gal. drum #28630/30 gal. drum #28655/55 gal. drum
- Acclaim** A solid combo product which provides fabric softening, neutralizing and removal of rust. Helps reduce fabric yellowing and graying caused by minerals in water, restores the natural pH of fabric, and imparts a silk soft finish. Convenient solid form. Green color. Floral fragrance.
#28825/2x5 lb. case

LAUNDRY SPECIALTY PRODUCTS

- AntiChlor** Commercial additive for eliminating chlorine carry-over in commercial laundry applications. Reduces fabric damage by chemically neutralizing the residual chlorine bleach in the washing process. Allows for shock chlorine treatment without chlorine residue.
#29205/5 gal. pail #29215/15 gal. drum
- UltraStarch** Concentrated liquid sizing and starch for institutional laundries. Contains a blend of corn starch and PVA for outstanding performance in linen or shirt laundries. Imparts a fine finish to both cotton and blended fabrics, including VISA.
#29505/5 gal. pail #29515/15 gal. drum
- UltraBlast** A super-strength stain remover for use on white cotton, linens and other colorfast fabrics. Designed for stubborn soils in commercial and industrial laundries. Chlorine fortified for excellent soil penetration and destaining.
#21825/25x2 lb. case
