\* MADE IN USA \*

## Peroxide Cleaner Concentrate

### *Multi-Purpose Citrus Peroxide Cleaner-Degreaser-Deodorizer*

An outstanding product which performs a multitude of cleaning functions. Provides superb degreasing, stain removal and odor elimination. Surfactants emulsify grease and soil while peroxide oxidizes stains and provides color safe bleaching. Ideal for use on kitchen and bathroom surfaces, for stain removal, hard surface cleaning and many other applications. EPA Safer Choice certified.

**4x1 gal. case**

**Product No. GC0141**

## Glass & Surface Cleaner Concentrate

### *Streak-Free Cleaner for Glass & Hard Surfaces*

Concentrated cleaner for windows, mirrors, lighting fixtures, display cases, computer and video screens, etc. Leaves surfaces thoroughly clean and streak-free at an economical cost. Also an excellent spray cleaner for bathroom and kitchen surfaces, appliances, fixtures, chrome, stainless, plastic, Plexiglass, granite, tile, etc.. Safe on most surfaces. Low toxicity formula meets green certification standards.

**4x1 gal. case**

**Product No. GC0241**

## pH Neutral Multi-Surface Cleaner

### *All Purpose Neutral Floor & Hard Surface Cleaner*

Neutral pH detergent removes built-up dirt and grime from all types of finished floors. Won't dull or strip. Also an effective cleaner for countertops, walls, cabinets, equipment and many other hard surfaces. May be used with mop and bucket, floor machine or manual cleaning operations. Highly dilutable and economical to use. Low toxicity formula meets green certification standards.

**4x1 gal. case**

**Product No. GC0341**

## HD Degreaser Concentrate

### *High Strength Hard Surface Cleaner-Degreaser*

High strength cleaner-degreaser for use on floors, walls, and most other hard surfaces. Fortified with a safe and effective combination of solvents, surfactants and alkalis. Penetrates and emulsifies grease, oil and soils rapidly and completely. Formulated for a wide range of applications. Leaves surfaces thoroughly clean. Dilutable and economical to use. Low toxicity formula meets green certification standards.

**4x1 gal. case**

**Product No. GC0441**

## Bathroom Cleaner Concentrate

### *All Purpose Detergent for Tub, Tile and Restroom Surfaces*

Delivers superior cleaning of all restroom surfaces. Contains a powerful, synergistic blend of surfactants, solvents and soil suspension agents for impressive cleaning performance. Dissolves soap scum, mildew, hard water mineral deposits, oil, grease and uric salts. Penetrates grout lines and lifts out embedded dirt and grime. Safe on all surfaces. Low toxicity formula meets green certification standards.

**4x1 gal. case**

**Product No. GC0541**

## Lotion Hand Soap

### *Gentle Skin Cleanser for Institutions and Industry*

A fragrance free, high performance liquid skin cleanser for use in schools, hotels, office buildings, restaurants, public restrooms, health clubs, and most other institutions. Contains a high grade surfactant system that cleans completely yet is extremely gentle to the skin. Fortified with emollients for exceptional mildness. Leaves skin smooth and soft. Low toxicity formula meets green certification standards.

**4x1 gal. case**

**Product No. GC0641**

## Solid Dish

Non-phosphated, green-formulated solid dishmachine detergent. Safer to use and safer for the environment. Contains no alkali hydroxides, NTA, EDTA, or nonylphenols. Safe on aluminum. Provides excellent performance in most accounts.

**4x8 lb. case**

**Product No. GC3948**

## Rinse Additive

A green-formulated dishmachine rinse additive that provides excellent performance while being safer to use and environmentally friendly. Suitable for high or low temp machines. Produced without high levels of alcohols, nonylphenols, or other toxic or environmentally unsafe ingredients. Produces crystal clear glassware, silverware, dishes, etc. and eliminates the need for towel drying.

**4x1 gal. case**

**Product No. GC5341**

**5 gal. pail**

**Product No. GC5305**
