Citrus Peroxide Concentrate

An outstanding product which performs a multitude of cleaning and degreasing tasks. Fortified with citrus solvent and hydrogen peroxide for superb degreasing, stain removal and odor elimination. Solvents penetrate and emulsify grease while peroxide oxidizes stains and provides color safe bleaching. Ideal for kitchen and restroom, carpet and fabric stain removal, odor elimination, and more.

Product No. GP0141
Available in 4x1 gal. cases

Bathroom Cleaner Concentrate

Provides superior cleaning of all restroom surfaces, including tile, porcelain, metal fixtures, and more. Contains mild acids, solvents and surfactants for impressive cleaning performance on soap scum, mineral deposits, and greasy soils. Penetrates grout lines and lifts out embedded dirt and grime. Will not dull or etch fixtures made of polished brass, chrome or other finishes. Also safe on glass, marble and plastic. Citrus fragrance.

Product No. GP0541
Available in 4x1 gal. cases

Glass & Surface Cleaner Concentrate

Highly concentrated cleaner for all glass surfaces, including windows, mirrors, lighting fixtures, computer and video screens, etc. Leaves surfaces thoroughly clean and streak-free. Also an excellent spray cleaner for bathroom and kitchen countertops, backsplashes, appliances, fixtures, stainless, granite, chrome, etc. Non-ammoniated.

Product No. GP0241
Available in 4x1 gal. cases

Carpet Extraction Detergent

Professional strength product for extraction cleaning of carpet, fabric and upholstery. Removes dirt, stains and odors safely and effectively without excessive foaming. Offers excellent detergency on all soil levels, and may be used as a prespray for heavily soiled traffic lanes. Safe for use on advanced generation carpeting. Fresh citrus fragrance.

Product No. GP0641
Available in 4x1 gal. cases

pH Neutral Multi-Surface Cleaner

Professional quality detergent for removing built-up dirt and grime from all types of floors. Neutral pH in solution makes this product ideal for use on finished floors without dulling or stripping. Also an effective cleaner for countertops, walls, cabinets, and many other hard surfaces. Contains no harmful alkalis, solvents, or other harsh ingredients. Useful in a wide variety of applications. Pleasant fragrance.

Product No. GP0341
Available in 4x1 gal. cases

Lotion Hand Soap

A lustrous, high foaming skin cleanser for use in light industry, hotels, schools, office buildings, restaurants, public restrooms, health clubs, hospitals, and other institutional applications. Formulated with a high grade surfactant system that competely cleans yet is extremely gentle to the skin. Contains emollients for enhanced mildness. Leaves skin pleasantly smooth and soft. Dye and fragrance free.

Product No. GP0741
Available in 4x1 gal. cases

HD Cleaner-Degreaser

An high performance solvent degreaser for use on floors, walls, equipment, machinery and other non-porous hard surfaces. Contains a synergistic combination of solvents, surfactants and builders. Penetrates and emulsifies oil and grease rapidly and completely. Effective for a wide range of applications. Highly dilutable and economical to use. Pleasant citrus fragrance.

Product No. GP0441
Available in 4x1 gal. cases
