

# Safety Data Sheet

# **SECTION 1: Identification**

| 1.1 | Product identifier |
|-----|--------------------|
|     | Product name       |
|     | Product number     |
|     | Brand              |

**ControlChem #10 Pot & Pan Detergent** CC10 Crown Chemical, Inc

- **1.2 Other means of identification** ControlChem #10 Pot & Pan Detergent
- **1.3 Recommended use of the chemical and restrictions on use** Manual dishwashing

| 1.4 | Supplier's details<br>Name<br>Address | Crown Chemical, Inc.<br>4701 W. 136th. St.<br>Crestwood, Illinois 60418<br>U.S.A.<br>708-371-6990 |

|     |                                       |   |
|     | email                                 | info@crown-chem.com   |

**1.5 Emergency phone number(s)** 

800-535-5053

# **SECTION 2: Hazard identification**

General hazard statement Prolonged contact may cause mild skin irritation. Eye contact may cause irritation. Harmful if swallowed.

## 2.1 Classification of the substance or mixture

GHS classification in accordance with: (US) OSHA (29 CFR 1910.1200) - Eye damage/irritation, Cat. 2A

## 2.2 GHS label elements, including precautionary statements

**Pictogram** 

### Signal word

Hazard statement(s) H320

Causes eye irritation

Warning

Precautionary statement(s) P264

Wash hands & skin thoroughly after handling.

P305+P351+P338

P337+P313 P301+P330+P331 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.

# 2.3 Other hazards which do not result in classification

None identified

# **SECTION 3: Composition/information on ingredients**

## 3.2 Mixtures

Mixture

## Trade secret statement (OSHA 1910.1200(i))

The specific chemical identities and/or actual concentrations for one or more components are being withheld as trade secrets under the US regulation 29 CFR 1910.1200(i).

## **SECTION 4: First-aid measures**

## 4.1 Description of necessary first-aid measures

| General advice          | Wear protective rubber gloves as needed to prevent prolonged skin contact when using this product. Mix ONLY with water.  |
|-------------------------|--|
| If inhaled              | No specific response required.   |
| In case of skin contact | Rinse with water. Wash contaminated clothing and shoes before reuse.   |
| In case of eye contact  | Rinse cautiously with water for several minutes. Remove contact lenses, if present<br>and easy to do. Continue rinsing. Call a Poison Control Center or doctor for<br>treatment advice if irritation persists. |
| If swallowed            | Rinse out mouth. Do NOT induce vomiting. Call a Poison Control Center or doctor if you feel unwell.  |

- **4.2** Most important symptoms/effects, acute and delayed The most important known symptoms and effects are described in the labelling (see section 2) and/or in section 11
- **4.3** Indication of immediate medical attention and special treatment needed, if necessary Non-hazardous product. No such indications.

# **SECTION 5: Fire-fighting measures**

- 5.1 Suitable extinguishing media Not applicable.
- 5.2 Specific hazards arising from the chemical None known
- 5.3 Special protective actions for fire-fighters Not applicable.

**Further information** Not applicable.

## **SECTION 6: Accidental release measures**

6.1 Personal precautions, protective equipment and emergency procedures Initiate spill containment procedures immediately using containment or absorbtion methods. Keep people away from area. Put on appropriate protective equipment (see Section 8).

### 6.3 Methods and materials for containment and cleaning up

Do not allow spilled material to enter sewers, waterways or soil. Neutralize with water. Mop, sweep or otherwise collect spilled material and hold for disposal. Consult local government authorities for allowable disposal methods. After removal, rinse area completely with water to remove residue.

### **Reference to other sections**

For disposal see section 13.

## **SECTION 7: Handling and storage**

- 7.1 **Precautions for safe handling** Avoid contact with eyes, skin or clothing.
- **7.2** Conditions for safe storage, including any incompatibilities Keep out of reach of children. Keep container tightly closed. Store in suitable labeled containers.

#### Specific end use(s)

Apart from the uses mentioned in section 1 no other specific uses are stipulated.

## **SECTION 8: Exposure controls/personal protection**

#### 8.2 Appropriate engineering controls

Use with adequate ventilation to maintain exposure limits below listed thresholds.

### 8.3 Individual protection measures, such as personal protective equipment (PPE)

#### **Eye/face protection**

Normally not required. Wear safety glasses if necessary to prevent contact with concentrated product.

#### **Skin protection**

Wear protective rubber gloves as needed to prevent prolonged skin contact when using this product.

### **Body protection**

Wash thoroughly after use and before eating, smoking, or using the bathroom. Avoid contamination of clothing or shoes, and wash any contaminated items before reuse.

### Respiratory protection None required.

Thermal hazards No data available.

Environmental exposure controls Do not let product enter drains.

## SECTION 9: Physical and chemical properties

## Information on basic physical and chemical properties

Appearance/form (physical state, color, etc.) Odor Odor threshold Blue Liquid Floral No data available.

pН

- Melting point/freezing point Initial boiling point and boiling range Flash point Evaporation rate Flammability (solid, gas) Upper/lower flammability limits Upper/lower explosive limits Vapor pressure Vapor density Relative density Solubility(ies) Partition coefficient: n-octanol/water Auto-ignition temperature Decomposition temperature Viscositv Explosive properties Oxidizing properties
- <8.0 (1% solution) No data available. No data available. Non-Combustible <1.0 (H<sub>2</sub>O = 1.0) No data available.  $>1.0 (H_2O = 1.0)$ 100% (in 120°F Water) No data available. No data available. No data available. >1.0 (H<sub>2</sub>O = 1.0) No data available. No data available.

## Other safety information

No data available.

## **SECTION 10: Stability and reactivity**

### 10.1 Reactivity

Product is generally non-reactive. As a precaution, NEVER mix this product with other chemicals. Mix this product ONLY with water.

- **10.2 Chemical stability** Stable under normal storage conditions.
- **10.3 Possibility of hazardous reactions** No data available.
- **10.4 Conditions to avoid** None under normal use conditions.
- **10.5** Incompatible materials Chlorine and other halogens, strong acids or alkalis.
- 10.6 Hazardous decomposition products

None are expected under normal storage and usage conditions.

## **SECTION 11: Toxicological information**

## Information on toxicological effects

### Acute toxicity

Likely Routes of Exposure: Eyes, Skin

### Skin corrosion/irritation

Prolonged skin contact with concentrated product may cause mild irritation or redness.

#### Serious eye damage/irritation

Eye contact may cause mild irritation or redness.

#### Respiratory or skin sensitization None known.

## Germ cell mutagenicity

No data available.

## Carcinogenicity

This product is or contains a component that is not classifiable as to its carcinogenicity based on its IARC, ACGIH,NTP, or EPA classification

IARC: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by IARC.

ACGIH: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by ACGIH.

NTP: No component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.

OSHA: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.

Reproductive toxicity No data available.

**STOT-single exposure** No data available.

STOT-repeated exposure

No data available.

Aspiration hazard No data available.

Additional information No data available.

## SECTION 12: Ecological information

#### Toxicity

No specific data available for this mixture.

Persistence and degradability No data available on product

**Bioaccumulative potential** No data available on product

Mobility in soil No data available.

#### **Results of PBT and vPvB assessment**

PBT/vPvB assessment not available as chemical safety assessment not required/not conducted

Other adverse effects No known significant effects or critical hazards.

## **SECTION 13: Disposal considerations**

#### **Disposal of the product**

Disposal should be in accordance with applicable Federal, State and local laws and regulations. Local regulations may be more stringent than State or Federal requirements.

**Disposal of contaminated packaging** Dispose of as unused product.

### Other disposal recommendations

Avoid disposal of this product. Use complete contents according to directions. Do not release contents into a municipal sewer except through normal dilution and usage. Do not release contents onto the ground or into any body of water. Dispose of empty container by offering for recycling if available, or into a landfill. Follow all applicable state and local regulations.

## **SECTION 14: Transport information**

## DOT (US)

Non-regulated liquid

## **SECTION 15: Regulatory information**

#### 15.1 Safety, health and environmental regulations specific for the product in question

#### SARA 302 Components

No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302.

### **SARA 313 Components**

This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.

### SARA 311/312 Hazards

Acute Health Hazard

## Massachusetts Right To Know Components

No components are subject to the Massachusetts Right to Know Act.

### Pennsylvania Right To Know Components

No components are subject to the Pennsylvania Right to Know Act.

#### **New Jersey Right To Know Components**

No components are subject to the New Jersey Right to Know Act.

## **California Prop. 65 Components**

This product does not contain any chemicals known to State of California to cause cancer, birth defects, or any other reproductive harm.

## **SECTION 16: Other information**

The information herein is believed to be correct, but is given without warranty or guaranty of any kind, express or implied. The hazards provided in this Safety Data Sheet apply to the product in its concentrated form, and may differ significantly after dilution.

## 16.1 Further information/disclaimer

DISCLAIMER: The information above is believed to be accurate and represents the best information currently available to us. However, we make no warranty of merchantability or any other warranty, express or implied, with respect to such information, and we assume no liability resulting from its use. Users should make their own investigation to determine the suitability of information for their particular purposes. In no event shall Crown Chemical, Inc. be liable for any claims, losses, or damages of any third party or for lost profits or any special, indirect, incidental, consequential or exemplary damages, whatsoever arising, even if Crown Chemical, Inc. has been advised of the possibility of such damages.
