

ACCLAIM™

Enzyme Fortified Laundry Detergent-Bleach-Softener

A “one-shot” detergent, oxygen bleach and fabric softener for use in institutional and industrial laundry applications. Fortified with enzymes, anti-redeposition agents, surfactants, water conditioners and alkalis for outstanding removal of oily and particulate-based soils on cotton, linen and most other fabrics. Very effective over a range of water temperatures, water hardness conditions, and soil levels. Contains oxygen bleach for color-safe brightening and fabric softener for a soft, silky finish on all types of fabric. Convenient solid form minimizes chemical contact. Fresh floral fragrance.

Directions for Use

This product is designed to be dispensed with equipment installed and/or approved by your Service Representative. Remove cap and invert bottle on proper solid bowl dispenser. Consult your Representative for information on equipment setup, usage level and cleaning procedures. For best results, use with hot water.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	White Solid
Odor	Fresh Breeze
pH (1% solution, 22°C)	<10.0
Foaming	Moderate
Flash Point	None
Bulk Density (lbs/gal., 22°C)	9.60 ±0.1
Stability Range	20-120°F
Free Alkalinity (as Na ₂ O)	Low
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content (as P)	None

Product Number

25245

Packaging

4x5 lb. case*

*Bottles have grip handles

Suitable for
High Efficiency Machines
