

BIG BLUE™

Premium Quality Powdered Pot, Pan and Dish Detergent

High foaming powdered detergent for manually washing dishware, cookware, glassware, flatware and other cooking and eating utensils. For use in restaurants, cafeterias and other institutional foodservice operations. Fortified with an outstanding combination of surfactants for superb grease removal. Produces rich foam which stands up to challenging cleaning tasks. Gentle to the skin. Economical to use.

Directions for Use

Dilute approximately ½ cup (4 oz.) of this product for every six gallons of warm water in the dishwashing sink. Increase the concentration to 1 cup (8 oz.) for very high levels of grease and food soil. Wash as usual, then rinse with clean water and allow to air dry before storing or reusing. For baked-on food deposits, allow ware to soak in a hot water solution of this product for at least 30 minutes before cleaning.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from www.crown-chem.com.
