

BLAST™

Heavy Duty Chlorinated Machine Dishwash Detergent

A premium quality liquid designed for top performance in commercial dishwashing machines. Cuts heavy grease and soil, yet rinses thoroughly. Produces outstanding dishwashing performance, even under difficult operating conditions. Fortified with chlorine for enhanced stain and soil removal. Contains special polymer water conditioning additives which produce superior results over ordinary detergents even at very low concentrations. Ideal for hard water applications and high soil conditions. Delivers excellent use-economy.

Directions for Use

This product is designed to be dispensed with equipment installed and/or approved by your Service Representative. Performs well at concentrations as low as 1 ounce per 8 gallons of water under normal operating conditions. However, problems such as excessive water hardness or mechanical problems may require a slightly higher concentration. Ideal wash temperatures for this product range from 140° to 160°F. Wash temperatures as low as 120°F will produce acceptable results, although slower drying times will occur. **For machine use only - not for hand dishwashing.**

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	Yellow Liquid
Odor	Chlorine
pH (1% solution, 22°C)	>11.5
Foaming	None
Flash Point	None
Bulk Density (lbs/gal, 22°C)	10.28 ±0.1
Stability Range	50-100°F
Free Alkalinity (as Na ₂ O)	Very High
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content (as P)	<1.0%
Chlorine Content	>1.0%
USDA Rating	A1

Product Number

13341
13305

Packaging

4x1 gal. case
5 gal. pail
