

BLEACH & SUDS

Powdered Laundry Detergent with Chlorine Bleach

Superior quality powdered laundry detergent combined with chlorine bleach. Ideal for use in most institutional and light industrial laundry applications. Formulated with superb grease and stain removers for terrific cleaning results. Utilizes chlorine bleach to safely and effectively brighten white and colorfast fabrics. Ideal product for white towels, linens and other items not damaged by chlorine. Fortified with water conditioners for great performance in hard water areas. Contains optical brighteners for enhanced fabric appearance. Suitable for residential use.

Directions for Use

Use approximately ¼ cup (2 ounces) of this product per 35 lb. load in top loading machines. Increase the concentration to ½ cup (4 ounces) if fabric has a higher level of staining or discoloration. Add to wash water at first stage and run machine 10-15 minutes. For best results, pretreat stains and spots, use softened water, and follow manufacturer's label directions carefully.

This product may be used as a presoak for badly stained white fabrics. To prepare a presoak solution, dilute 1-2 ounces per gallon of warm water (not hot). Soak for 15 minutes, then wash as usual.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	White Powder
Odor	Chlorine
pH (1% solution, 22°C)	<11.5
Foaming	Moderate
Flash Point	N/A
