

BLUE LAGOON™

High Strength Clinging Acidic Bowl and Urinal Cleaner

This product is a clinging acidic bowl and urinal cleaner formulated to provide outstanding cleaning performance on toilet bowls and urinals. Immediately dissolves hard water stains, mineral deposits, lime scale, uric acid salts, and other difficult, inorganic soils. Contains a powerful blend of acids, surfactants and sequestering agents for quick, thorough cleaning. Clinging formula extends contact time on vertical surfaces, thus improving cleaning performance. Excellent for use in schools, restaurants, department stores, hotels, hospitals, and many other institutional areas. Pleasant wintergreen fragrance.

Directions for Use

Cleaning Toilet Bowls and Urinals: Wet toilet swab in water. Apply product liberally to interior of toilet or urinal, especially under the rim. Scrub surface vigorously to enhance removal of scale deposits. Flush when done to remove chemical and soil residue. For stains below the water line, remove water by forcing over trap with swab. Apply product and clean well, then flush. For use on toilets or urinals only. Not recommended for use on metal plumbing fixtures, enamel or plated surfaces. If unsure about product compatibility with surface, test in an inconspicuous area before use.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	Green Liquid
Odor	Mint
pH (full strength, 22°C)	<1.0
Foaming	Moderate
Flash Point	None
Density (lbs/gal, 22°C)	8.70 ±0.1
Stability Range	50-120°F
Free Alkalinity (as Na ₂ O)	None
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content (as P)	None

Product Number

37212

Packaging

12x1 qt. case
