

BOROLAN™

Powdered Industrial Strength Hand Soap with Borax and Mild Abrasives

An industrial strength powdered hand soap for use in factories, automotive repair facilities, and many other applications where repeated hand cleaning is required. Contains a grease-cutting blend of borax and premium quality soaps. Very effective at removing soils while being mild to the skin. Non-clogging in drains. Pleasant fragrance.

Directions for Use

This product is ready-to-use. Simply wet hands, place enough on hands to produce rich sudsing, then scrub hands, wrists, cuticles and under finger nails thoroughly. Continue scrubbing for 30-60 seconds, then rinse thoroughly. Repeat as necessary.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from www.crown-chem.com.
