

CARPETMAX™

High Performance Carpet Extraction Detergent

Professional quality product formulated to deep clean carpet and upholstery with extraction cleaning equipment. Removes dirt, stains and odors safely and effectively without excessive foaming. Offers excellent detergency against all soil levels, and may be used as a prespray for heavily soiled traffic lanes. Safe on advanced generation carpeting. Fresh lemon fragrance.

Directions for Use

Dry vacuum carpet. Assure colorfastness by cleaning a small, inconspicuous area. Prespot heavily soiled areas and traffic lanes using a garden-type sprayer.

Truck Mounted Equipment: To prepare a concentrated detergent for injection through truck mounted equipment, dilute 12-14 ounces per gallon of hot water. Set injection system at 2 gallon per hour for stain resistant carpeting. For other carpet, inject at 3 gallons per hour.

Portable Equipment: To prepare a ready-to-use solution for portable extraction equipment, dilute 2-4 ounces per gallon of hot water. For stain-resistant carpet, reduce amount to ½ -¾ ounce per gallon.

Apply solution in 5'x5' sections. Set pile while extracting. Allow carpet 12 hours drying time before reuse.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	Colorless Liquid
Odor	Lemon
pH (1% solution, 22°C)	<9.5
Foaming	Moderate
Flash Point	None
Bulk Density (lbs/gal, 22°C)	8.79 ±0.1
Stability Range	40-100°F
Free Alkalinity (as Na ₂ O)	None
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content	<1.0%

Product Number

52141
52105

Packaging

4x1 gal. case
5 gal. pail
