

Technical Data Sheet

ChemSolve™

Heavy Duty Industrial Strength Cleaner-Degreaser

A premium quality cleaner-degreaser formulated to remove difficult grease and soil from floors, walls, equipment, machinery and other hard, non-porous surfaces. Contains a powerful blend of solvents, alkalis and surfactants in addition to special emulsifiers for rapid soil penetration and emulsifying. Designed to deliver effective degreasing performance where other products fail. Leaves surfaces thoroughly clean. Highly dilutable and economical to use.

Directions for Use

Prior to use, test this product in an inconspicuous area to assure compatibility with surface. This product should be diluted at the rate of 2-8 ounces per gallon of hot water depending on the soil level. Apply solution to surface liberally with a mop, sponge or rag. Allow several minutes dwell time to allow detergent to penetrate and dissolve soils. Agitate as needed to facilitate soil removal. Rinse completely with clean water to remove any chemical residue. For spot removal or very heavy grease or soil accumulations, use at full strength.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	Yellow-Green Liquid
Odor	Characteristic
pH (1% solution, 22°C)	>11.5
Foaming	High
Flash Point	None
Bulk Density (lbs/gal, 22°C)	9.09 ±0.1
Stability Range	40-100°F
Free Alkalinity (as Na ₂ O)	Moderate
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content (as P)	None

Product Number

31441
31405
31455

Packaging

4x1 gal. case
5 gal. pail
55 gal. drum
