

CITRACLEAN™

Heavy Duty Cleaner-Degreaser with d'Limonene Solvent

A powerful cleaner-degreaser for use on floors, walls, equipment, machinery and other non-porous hard surfaces. Fortified with d'limonene, a citrus by-product which provides outstanding solvency, degreasing and deodorizing characteristics. Formulated with a synergistic blend of solvents, surfactants and alkalis in addition to special emulsifiers for rapid soil penetration and removal. Excellent foaming capabilities for increased contact time and cleaning capability on vertical surfaces. Effective on grease, oil, tar, carbon, tire marks, scuffs and most other soils. Leaves surfaces thoroughly clean and fresh smelling. Highly dilutable and economical to use. Biodegradable and non-toxic.

Directions for Use

Prior to use, test this product in an inconspicuous area to assure compatibility with surface. This product should be diluted at the rate of 2-12 ounces per gallon of hot water depending on the soil level. Apply solution to surface liberally with a mop, sponge or rag. Allow several minutes contact time to permit detergent to penetrate and dissolve soils. Agitate as needed to facilitate soil removal. Rinse completely with clean water to remove any chemical residue. For spot removal or very heavy grease or soil accumulations, use at full strength.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	Orange Liquid
Odor	Citrus
pH (1% solution, 22°C)	<11.5
Foaming	Moderate
Flash Point	None
Bulk Density (lbs/gal, 22°C)	8.34 ±0.1
Stability Range	40-100°F
Free Alkalinity (as Na ₂ O)	Moderate
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content (as P)	None

Product Number

31841
31805
31855

Packaging

4x1 gal. case
5 gal. pail
55 gal. drum
